Graduate Course Offerings for Fall 2014

Listed below are graduate courses with East Asian content that are being offered at IUB in Fall 2014. This list will be updated as needed. **Please note:** the Cross-Listed Course section is not an exhaustive list. It is your responsibility to consult your advisor and/or the EALC DGS to find courses that meet your needs. It is your responsibility to search course descriptions on your own, and to meet with your advisor already prepared with a list of courses you think you would like to take and that would fit into your degree program. Email your advisor to request an appointment to go over these. If you have not yet been assigned an advisor, arrange to meet with the EALC DGS (Professor Sarra).

First through fourth year languages classes are not included on this list, but are offered each term. Please see the schedule of classes <http://registrar.indiana.edu/browser/soc4148/index.shtml> or OneStart for more information on language class schedules.

Course descriptions are now available through the Schedule of classes in the OneStart/SIS system. Click on the "Details" button for any class you have looked up to see the course description.
