Application for Establishment of Foreign Language Proficiency for International Students who are Non-Native Speakers of English

International students whose native language is not English may fulfill the foreign language requirement through demonstrated proficiency in their first language. Proficiency can be demonstrated in a number of ways. Complete and submit this form to the College Recorders Office. You will receive information about your application within 14 working days. If your application is approved, the College will notify the Office of the Registrar and the IUB General Education program that your language requirement is satisfied.

Important: Proficiency demonstrated through the processes below will *not* result in special credit.

You must select ONE of the options below and follow the directions:

I was admitted to Indiana University before fall 2012. Submit *one* of the following documents to establish proficiency:

- High School Transcript (showing at least two years of instruction in your native language)
- High School Diploma
- National Exam Results (e.g., A-level or O-level exams)
- Leaving Certificate Issued by the Ministry of Education

Students must provide official documents (and a notarized translation of them if they are not in English) for review before the end of the junior year.

Note: If the College cannot determine proficiency from the documents you submit, we may request additional information from you.

I was admitted to Indiana University in fall 2012 or later. I hereby authorize the College Recorder's office to review my records in the Office of International Admissions (OIA). I understand that if OIA does not have documentation from my high school, I may need to supply additional documents to establish my native language.

Note: If the language of instruction at your high school was English, your OIA records must include a high school transcript showing at least 2 years of instruction in your native language or national exam results. If your records do not contain this documentation, the College will not be able to establish your proficiency.

I affirm that the information submitted on this form is accurate and legitimate.
